DELHI HEALTH SERVICES

TRANSFER GUIDELINES FOR SPECIALISTS (NON TEACHING) AND GENERAL DUTY MEDICAL OFFICERS (GDMO)

GUIDING PRINCIPLE.

The matter governing the transfer of Doctors requires greater care and discretion on the part of the transferring authority as these posts carry great responsibilities. Delhi Health Services (DHS) while effecting transfer of Doctors holding such posts shall strive to maintain equitable distribution of its Doctors across all locations to ensure efficient functioning of the organization and optimum job satisfaction amongst Doctors. All Doctors are liable to be transferred anywhere in Delhi at any point of time and transfer to a desired location cannot be claimed as a matter of right. While effecting transfers the organizational interest shall be given uppermost consideration and that the problems and constraints of Doctor shall remain subservient. The term Doctor would include all Allopathic Doctors, Physicians and Dental Surgeons.

GENERAL GUIDELINES FOR TRANSFERS AND POSTINGS OF DOCTORS:

1. All Doctors would continue to be liable for posting anywhere in Delhi.
2. The new recruits in the DHS in the GDMOs and Specialists sub-posts will however be allotted to various Hospitals/Dispensaries as per exigencies of work without seeking/ascertaining their preference in respect to the places of their postings.
3. Specialist will be posted in respective specialty or sub-specialty posts in various Hospitals.
4. Medical Officers with PG Degree/Diploma/Specialization or in Public Health with hospital Administration may be posted in the department in accordance with their specialization to utilize their expertise.
5. General transfer would normally be made in case of exigencies or when required in view of the commencement of the academic session or the start of the year to the employees in securing admission of their wards and children. The number of transfers is minimized.
6. As far as possible attempts will be made to post the doctors in the same or nearby posts both working in the DHS) at the same or nearby posts and their suitability.
7. A Doctor in the last year of service would not normally be transferred from a place he/she is posted except on his/her request. However if exigencies of service require such a transfer, orders thereof will be issued by the Competent Authority after recording the reasons therefor.
8. All the requests for transfers should be sent by the officers through the proper channel with proper recommendation, so as to reach the Competent Authority before the 31st December of the preceding year.

9. Seniority and performance will be the criteria to post MFSG and SAG Doctors on Senior Administrative Posts.
10. In order to ensure manpower development and to equip them to handle senior assignments, all the Doctors will be rotated among various assignments, both clinical and administrative.
11. Once a transfer order of a Doctor has been issued by the competent authority, the Doctor concerned will not be granted leave of any kind by his controlling authority. All requests for leave of any kind thereafter will be sent through proper channel to the authority who has issued the orders of transfer.
12. On administrative grounds and in exigencies of public interest, the competent authority may make deviations from the above guidelines for transfers by recording the reasons in writing on the file.

SPECIFIC POLICIES:

Health facilities should be classified into three categories:

- I. Secondary/Tertiary Care Centres - i.e. Bigger Hospitals - More than 200 beds.
- II. Secondary Care Centres - i.e. Small and Medium sized Hospitals - Upto 200 beds
- III. Primary Health Care Centres

* These hospitals are to be considered as rural postings.

PRIMARY HEALTH CARE CENTRES (under Directorate of Health Services)

1. Dispensaries
2. Mobile Health Scheme
3. School Health Scheme

CRITERIA REGARDING TRANSFER:

SPECIALISTS (NON TEACHING)

1. Initial appointments should be in Category - II (rural posting) and should move to Category -II (non rural) and category-I on seniority basis.
2. Senior most Non teaching Specialist should be posted in DDUH, BSAH or SGMH being the largest non teaching hospitals. However, the officer can be considered for posting at LNH, GBPH, GTB on request.
3. Transfers to be once in three -five years from one hospital to other.
4. Rural postings (RTRMHSRHCIMVH and Central Jails) should not be more than three years at a stretch.

MEDICAL OFFICERS:

1. Initial appointments should be in Category - III but, if no post is available there, initial posting can be in category-II and Category -II and should move to Category -I on seniority basis.
 2. Medical Officers with Post Graduate qualifications should invariably be posted in Category - I or Category - II however, initial posting should be in category-II or suitably utilized in Category -III.
 3. Transfers to be once in three -five years from one hospital to other in case of Post Graduate Medical Officers and from one district to other district or to other schemes in case of Medical officers posted in Primary Health Care facilities.
 4. Rural postings/Mobile Health postings/School Health postings and Central Jails postings should not be more than three years at a stretch.
- The Medical Officer who completes the required tenure in a particular category shall have the option to give notice of resignation to move to next category in order of preference through process of promotion.
 - If the doctor does not join at the new posting at the stipulated time from the parent hospital and after expiry of joining date he/she is considered as willfully absent from duty and will be liable to disciplinary action.
 - A committee under the chairmanship of Special Secretary, Health Deptt. may be formulated to decide regarding transfers.

TYPES OF TRANSFER

Transfers may broadly be classified into two types viz. Administrative and Medical. The Department of Health orders and issues in the Administrative and Medical categories.

[Handwritten signatures and marks]

administration and in public interest, and request transfer which is effected based on the request of a Doctor.

ADMINISTRATIVE TRANSFER OF DOCTORS

After the completion of tenure, a Doctor shall be liable for transfer except where a Doctor's retention after the completion of tenure or a Doctor's exit before the completion of the tenure is necessary in the organizational interest. Efforts will be made to consider bulk of such transfers post-wise at an opportune time during the year. Transfer/posting to a desired station shall not be claimed as a matter of right. Some crucial determinants for such transfers are as under:

- a) Inherent strength/weakness of a doctor to cope with the responsibility.
- b) Domain expertise of a Doctor
- c) Policy of transfer will be same for specialists/GDMO working on sanctioned posts in their respective cadre in Teaching or Non-teaching Hospitals
- d) Factors such as due for retirement, medical problems faced by a Doctor or family members, spouse working at nearby place.
- e) Redeploy surplus staff in excess of sanctioned strength at a location to other location against sanctioned vacancies.
- f) Post Doctors in various categories of Hospitals on rotation.
- g) Doctors involved as supervisor/guide of DNB students should normally not be transferred.
- h) Displacement of a Doctor from a location to another location shall be at the discretion of the Head Doctor.

METHOD FOR ADMINISTRATIVE TRANSFER

1. Doctor holding a post at station to eliminate surplus staff and such staff shall be accommodated against clear vacancies.
2. To transfer a needy Doctor, desired hospitals/medical institutions require application, form adjusted at clear vacancy at the station. Doctor seeking request transfer can apply for against choice but such transfer will be considered only against vacancy.
3. Provided, exemption can be given to a Doctor on account of displacement for such period owing to circumstances and administrative exigencies justifying such exemption.

[Handwritten signature]

Signature

- 1/1/12
4. Provided, a Doctor can be transferred from a location if the Doctor's stay has become prejudicial to the interest of the organization.
 5. Provided further, a Doctor can be transferred to a location in administrative exigencies.

REQUEST TRANSFER OF DOCTORS

Applications for transfer requests received within stipulated period will be considered by the Health Department and in doing so the organizational interest will be the uppermost consideration. Some crucial determinants for effecting such transfers shall be as follows:

- a) Request of Doctor factoring in such components as:
 - Request for retirement, medical problems faced by a Doctor or family members, spouse working at a nearby Hospital.
- b) Suitability of a Doctor for the sought Hospital.
- c) Number of years spent in a Hospital / place.
- d) On compassionate ground: -
 - Handicapped (80% and above), serious ailments like Cancer, Thalassemia, etc., single female (unmarried, widow & legal dependant).
 - Doctors having less than 2 yrs. of service before superannuation may be considered for posting at a place of their choice subject to availability.
 - In case a doctor requests for retention of a particular hospital on the ground that his/her child is in class X to XII.

AUTHORITIES COMPETENT TO EFFECT TRANSFER

Principal Secretary (H&FW) is competent to transfer doctors and assign any duties to officers and staff at the Headquarters, Hospitals as well as in the entire District. Secretary (H&FW) shall be competent to transfer doctors and assign any duties.

POWER OF RELAXATION OR GUIDELINES

Notwithstanding anything contained in the guidelines, the Principal Secretary, H&FW shall be the sole competent authority to transfer any Doctor to any place in violation of any or all the above provisions.

INTERPRETATION OF GUIDELINES

Principal Secretary (H&FW) shall be the sole competent authority to interpret, amend provisions and pass such other order(s) as deemed appropriate and necessary to facilitate the implementation of the guideline for the purpose of effecting control and administration of the Department of Health as a whole.

Page 10/11

REDRESSAL OF GRIEVANCES

There will be a Human Resources Grievances Redressal Committee with the Pr. Secretary/Sp. Secretary (Medical) as the Chairperson which will include two/three more senior doctors as members. All representations relating to the postings of GDMOs/Specialists, up to and including those in the SAC scale will be referred to this Committee which will meet as frequently as the need arises. This committee will also consider requests for inter-hospital and inter-zonal transfers of GDMOs/Specialists. Representation relating to posting of Senior Administrative Grade GDMOs/Specialist will also be dealt by the above Committee.

SAFEGUARD AGAINST EXTRANEOUS INFLUENCE

Doctors shall not bring in any outside influence; if such an influence from whichever source espousing the case of a Doctor is received it shall be presumed that the same has been brought in by the Doctor. The request of such a Doctor shall not be considered. Action may also be initiated against such a Doctor under relevant service rules.

TRANSFERS OF TEACHING SPECIALISTS

The teachers (Assistant Professor, Associate Professor, Professor, Director Professor) will not normally be transferred unless:-

- There is a need to utilize the expertise of the particular teacher in other hospital in public interest.
- If a teacher wants to acquire special training that is available in other hospital.
