The annual demand shall be collected by these CPCs which shall float and finalise tenders for the requirement of their group and convey the RCs to the group hospitals. The orders shall be placed by respective hospitals. The management of tender viz. collection of the performance security deposit, non-performance deductions etc shall be done by the CPC. The specifications of the surgical consumables and the terms and conditions of the tender shall remain the same as finalised by CPA.

With the introduction of revised system of procurement of surgical consumables through cluster procurement system, presently being tried, CPA shall communicate the current procurement status to CPC/hospitals so that planning for future procurements is expeditiously done by the CPC. CPA shall finalise and freeze the specifications of all the surgical items required by the hospitals and publish that as Essential Surgical Consumables List (ESCL) which shall be used by all the Cluster Procurement Centres.

Dr. N. V. Kamat
Director Health Services
